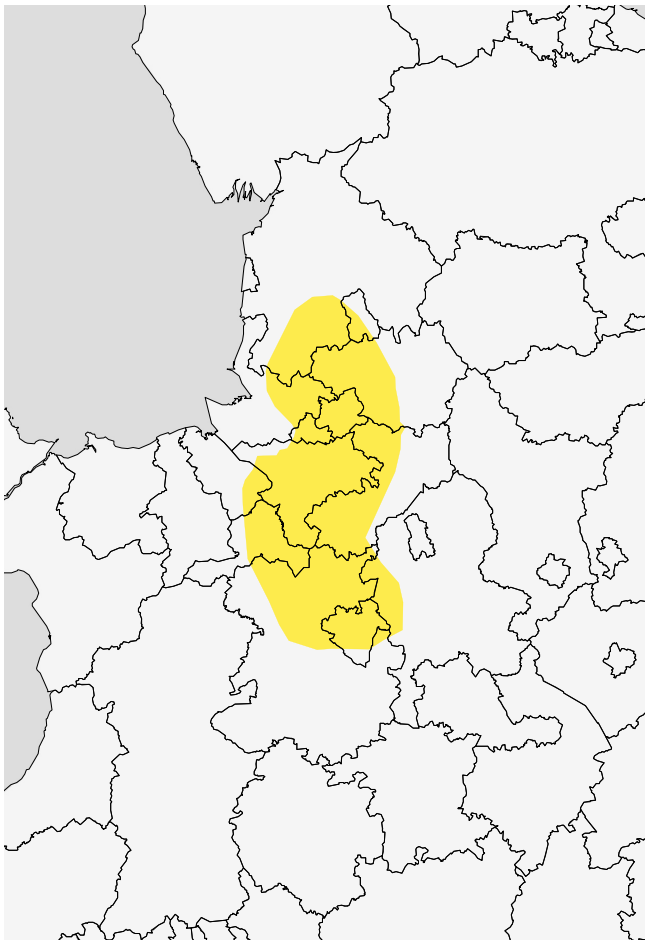
Yellow warning
Fog

Between
05:00 Mon 16 Sep 2024 and
10:00 Mon 16 Sep 2024



Areas of fog could cause slower journeys on Monday morning.

What to expect

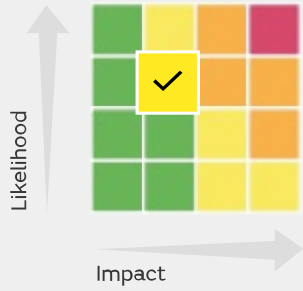
- Slower journey times by car, and with delays to bus services possible
- There is a chance of delays or cancellations to flights

Further details

It is looking like one of the first occasions in autumn 2024 when we will see more widespread fog developing overnight and lasting well into the morning. Some of this could be quite dense, making journey times longer.

What should I do?

Give yourself the best chance of avoiding delays by checking road conditions if driving, leaving extra journey time, or amending plans if necessary.



Medium likelihood of low impacts

Issued at 10:18 Sun 15 Sep, 2024

Yellow warning
Fog

Between
05:00 Mon 16 Sep 2024 and
10:00 Mon 16 Sep 2024

Further Details (continued)

Make sure you know how to switch on your fog lights, and check they are working before setting off on your journey. Bus and train services, as well as flights and ferry travel may also be affected; check for updates from your travel company and follow their advice.

Be prepared for weather warnings to change: the Met Office recommends staying up to date with the weather forecast in your area.
